Punk ass mothafucka, get your ass up
What chu was goin? do, kill me in my sleep you bitch
ass nigga?
Tupac, Biggie! Shut the fuck up! Fucking dogs barking
and shit

Don?t shoot!
Don?t shoot!
Fuck you nigga!

And I?m grindin? until I?m tired
They say, "You ain?t grindin? until you tired"
So I?m grindin? with my eyes wide
Looking to find a way through the day

A life for the night
Dear Lord, you?ve done took so many of my people
But I?m just wonderin? why
You haven?t taken my life?
Like what the hell am I doing right?
My life

Take me away from the hood like a state penitentiary
Take me away from the hood in the casket or a Bentley
Take me away like I overdosed on cocaine
Or take me away like a bullet from Kurt Cobain

Suicide, I'm from a Windy City, like "Do or Die"
From a block close to where Biggie was crucified
That was Brooklyn's Jesus shot for no fuckin' reason
And you wonder why Kanye wears Jesus pieces?
My life

'Cause that's Jesus? people and The Game, he's the
equal
Hated on so much, "The Passion of Christ" need a
sequel
Yeah, like Roc-a-fella needed Sigel
Like I needed my father, but he needed a needle
My life

I need some meditation, so I can leave my people

They askin' ?Why? Why did John Lennon leave The Beatles?
And why every hood nigga feed off evil??
Answer my question before this bullet leave this Desert Eagle

And I?m grindin? until I?m tired
They say, "You ain?t grindin? until you tired"
So I?m grindin? with my eyes wide
Looking to find a way through the day

A life for the night
Dear Lord, you?ve done took so many of my people
But I?m just wonderin? why
You haven?t taken my life?
Like what the hell am I doing right?
My life

We are not the same, I am a Martian
So approach my Phantom doors with caution
You see them 24's spinnin'? I earned them
And I ain't no preacher, but here's my Erick Sermon

So eat this black music, and tell me how it taste, now
And fuck Jesse Jackson ?cause it ain't about race, now
Sometimes I think about my life with my face down
Then I see my sons and put on that Kanye smile
My life

Damn, I know his mamma's proud
And since you helped me sell my dream, we can share my mamma now
And like MJB, "No More Drama" now
Livin? the good life, me and Common on common ground

I spit crack and niggas could drive it outta town
Gotta Chris Paul mind state, I'm never outta bounds
My life used to be empty like a glock without a round
Now my life full, like a chopper with a thousand rounds

And I?m grindin? until I?m tired
They say, "You ain?t grindin? until you tired"
So I?m grindin? with my eyes wide
Looking to find a way through the day

A life for the night
Dear Lord, you?ve done took so many of my people
But I?m just wonderin? why
You haven?t taken my life?
Like what the hell am I doing right?

My life

Walk through the gates of Hell, see my Impala parked
in front

With the high beams on, me and the Devil share
chronic blunts

Listening to the "Chronic" album, playing backwards
Shootin' at pictures of Don Imus for target practice

My mind fucked up, so I cover it with a Raider hood
I'm from the city that made you motherfuckers afraid
of Suge

(Compton)

Made my grandmother pray for good
And never made her happy, but I bet that new
Mercedes could

My life

Ain't no bars, but niggas can't escape the hood
They took so many of my niggas, that I should hate the
hood

But it's real niggas like me, that make the hood
Ridin' slow in that Phantom just the way I should
My life

With the top back, in my Sox hat
I'm paid in full, the nigga Alpo couldn't stop that
Even if they brought the nigga 'Pac back
I'd still keep this motherfucker cocked back

And I'm grindin' until I'm tired
They say, "You ain't grindin' until you tired"
So I'm grindin' with my eyes wide
Looking to find a way through the day

A life for the night
Dear Lord, you've done took so many of my people
But I'm just wonderin' why
You haven't taken my life?
Like what the hell am I doing right?
