3 Minutes my nigga
Ya'll know what it is
Just Blaze

Gangsta, gangsta that's already evident
Nigga wit a attitude, check, check my residence
Whether I'm Crip or Blood, Homie, that's irrelevant
I'm with the D O C, there's nobody better

Then the west coast felon when he on that low rider
Bike pedaling, Somebody tell Eazy they still yellin' it
I'm with ya homie Doc Dre on the television while these
niggas
Movin' peanuts like a elephant

I'm on cars like spinnin' rims
I'm in a class all by myself like the brown Eminem
Not to down Eminem I fuck black bitches
Fuck white bitches, nigga I like bitches

Them half and half Alicia Keys dyke bitches
If the head right, I might Air Nike bitches
Or put 'em on a track like Just Blaze
I look down on hoes and look up to Dre, 'cause ain't
No More Fun and Games

I'm like Dre, Eazy, Cube, King Tia rolled into one
Used to move birdies 'till I put a hole in one
Nigga they thought I wasn't holdin' a gun, they try to
ride up
On me like Afeni Shakurs only son

Dre told me he ain't doing Detox, this his only run
Mase coming back and Hovie done
I'm surrounded by legends, sitting at the round table
I'am The Game and still niggas tryna play

Dude, I'm Ruthless, I ain't talkin' 'bout the label
I hook niggas up and I don't mean free cable
I mean I hook niggas up to the IV
The same way Dre hooked me up to Ivine

I'm from the gutter, grew up in public housing
On the same block with a shack like Yao Ming
So if a nigga ever try to Jerry Hellin' me
Tell Dre put up a mill 'cause that's what my bail will be
No More Fun and Games

I been rapping for 1 year 1 month, 17 days
13 hours, 28 minutes, then I met Dre
30 minutes after I bought the new Em
That was November 18, 3:09 PM

Around the same time Wanksta got it's first spin
That was 32 weeks before they signed Rakim
8 Months, 13 Days, before I knew a Mike Lynn
And 3 Years after Mase done turned his mic in?

I start writing 22 months and 20 weeks
Prior to Lebron shaking Adidas for Nikes
I'm right here, 6 years after Randy Moss
Caught his first touchdown for the Vikings

1 day, 7 hours, 14 minutes, 21 seconds
Before Sound scan got printed
2 Platinum Records for I'm classified with Biggie
And 2 seconds before the song finish, yeah
