Haters so beautiful, beautiful...
And this is what I do it for
Purple haze smoke it to the face note, Passing
Need a few blunts for this 4 or 5 traffic
Tv's in the dashes
Air max on the gas n'
In the car pool lane I got these bitches playing madden
Rims on them rubber bandssss

Rolling while Im rolling
And I roll them just the fastest
cant tell we smoking cause of tha tint
Grand Daddy Purple from Compton tha Oakland is the
shit
And you know I came with assorted flavors
