Game , it's magic baby, light upon

Shit on the phone, just take off the ..
But don't run from the magic ..
Just look around the â€¦ is shit

W e don't stress the tag we just drop off the lights
I know that baby take your coat off
Let me see .. all that baby
Just work that thing, I'm hurt that thing
Like the first 48, â€¦
Chorus:
Only red bottom, guci - louie, yeah bottom
Girl you know you man got it
Brave yourself for red bottom, ohhhh

'cause she get she get she get
she get she get she get

She's getting hot now, doing my baby ..
Let's go, come on
Let's go, come on

Standing on the cash now
.. count down
See so many bad hores
