[Verse 1 - The Game]

Everybody fucking Amber Rose  
Is the pussy good? Only Kanye and Cameron knows  
And who this Tammy ho? Telling her me and Tre are  
shooting a video  
In a month and she can get a cameo  
SMH. TTM. Five star  
We be em. LOL, hi my BBM ain't got my BBM  
Louis Vuiton he be in, Tron got him easy  
And my money ain't young, ask my nigga Little  
Weezy & em  
I keep one rolled like Wiz Khalifa & em  
Got some college hoes that wanna smoke a Swisher  
Sweet with him  
They ain't no Lauren Londons but they got that Meagan  
Goode  
They use that photo shot to get their ass above the  
hood  
And it's all good when us niggas mayne  
I said it's all good cause I am a triggerman  
Yeah, she said she wanna have Jayceon kid  
I told that bitch you better off with Jason Kidd

[Hook - Trey Songz]

I do it cause they love it  
If you hate it bitch who give a fuck, I made it  
Plus I do it for the ladies  
Somebody say they wanna have my baby  
She said she wanna have my baby  
Who tryna have my baby?  
She said she wanna have my baby  
Tryna have my baby

How many bitches in the club just trying to fuck a  
platinum rapper  
Poking microscopic holes into the magnum wrappers  
Hopping on the dick but I ain't throwing carrots at ya  
You ain't gonna Worldstar me, I ain't your average  
rapper  
You drinking all the Goose & bitch I ain't fittna pay

You don't look like your Twitter avatar any way  
Bitch you look like an Avatar anyway  
And thatâ€™s the same bitch that was stalking Fab,  
ainâ€™t it Tre?  
And this is how I know you giving free head  
If you was getting paid the bottom of your shoe would  
be red  
But it ainâ€™t, she claiming she a saint  
But as soon as she sees Dwight she going hard in the  
paint  
Girlfriend-type you wanna take home  
Throw a little Drake on, it really shouldn't take long  
Then she told me she want me & Tre Songz  
I told that bitch "strip, and start singing all Tre's songs"

[Hook - Trey Songz]

I do it cause they love it  
If you hated bitch fuck cause I made it  
I do it for the ladies  
Somebody say they wanna have my baby  
She said she wanna have my baby  
I am trying to have my baby  
She said she wanna have my baby  
I am trying to have my baby

[Trey Songz]

You look much better than your friend  
Just for the night let me be your boyfriend  
With that baby, let's go  
Ain't no sense in waiting on me  
Nobody that I know, they don't be debating on it  
They gon' say we did it, even though we didn't  
I'mma play cool, interviews, say I didnâ€™t

Mr steal your girl!  
Looking for your girl?  
Looking for a night out and they both came back to me  
If you jump up in the club go on, clap for me
