[Game - Chorus]

Let me introduce you to the Taylor gang  
Thats my n-gga Wiz and I'm Chuck Taylor mayne  
We both known in our hoods like Chuck Taylors mayne  
We get high, f-ck hoes, and roll paper planes  
Cause we Taylor made, we the Taylor gang  
Blowing smoke into the face of those haters mane  
We all stars in the hood like Chuck Taylors mane  
Sso throw it up and keep repping the Taylor gang, if  
you Taylor made

[Game]

I wake up in the morning to Red Converse  
Dre Beats on, listening to Bomb first  
You got a hangover n-gga, mine's worse  
Haze got me kicking knowledge like a Nas verse  
Shit be complicated like out of towners  
trying to understand why we say waddup Blood  
but we not related  
Thats how Compton made it,  
so don't run around yelling Soo Woo without a Chuck  
Taylor confirmation  
On that documentary sh-t I shocked the nation  
Muhammad Ali shit like I boxed in Vegas  
When it come to beef sh-t, n-gga I'm the greatest  
I knew I was next the night they shot Pac in Vegas  
I aint a killer but don't push me  
I see a bitch looking, I'mma end up in her p-ssy  
See ya later, f-ck haters, cause bitch we Taylors  
Bitch we major

[Wiz Khalifa Verse]

Probably heard I'm the tightest  
And I heard that you never smoked so I rolled it, you  
light it  
And I heard that you liked it  
And I welcome you to my world you've been cordially  
invited  
Now I got the whole world excited  
Know every word when they heard that I write it  
Know I can f-ck every girl cause my jewelry the  
brightest, and my herb is the lightest  
Some n-ggas mad I made it, blame it all on perfect  
timing  
I say I made it big cause I stuck to the cursive writing  
These n-ggas rather be a has-been then not be famous  
at all  
I learned you ain't really gotta be famous to ball  
I'm hustling hard, and turning bitches to customers  
soon as they get in front of us,  
Bad hoes after the shows rushing up  
Baby them n-ggas clowns talk down but they look up to  
us  
May look the same but I'm nothing like them suckas  
So f-ck what them n-ggas sayin' and keep reppin' the  
gang
