We gon meet some ladies tonight  
Cause we got so much Space an we got so many cars  
We go shoppin' for days  
Everybody goin' cray, we gon party for weeks  
I said that money never sleeps and  
We gon meet some ladies tonight  
Cause we got so much Spades and we got so many cars  
We go shoppin' for days  
Everybody goin' cray, we gon party for weeks  
I said that money never sleeps and  
We gon meet some ladies tonight  
We gon meet some ladies tonight  
We gon meet some ladies tonight  
We gon meet some ladies tonight (you're comin' home with me baby)  
I said I do I do I do I do I do, you know I do  
Red Phantom, peanut butter guts, Winnie the Pooh  
You know I got that honey with me, playboy bunny with me  
She got a kind heart, always acting funny with me  
Said she far from perfect but I love her though  
And would love her even if she was an undercover hoe  
Notice she killin' that thang fo' me, notice she movin' her ass  
She got kids but that's the past, took my hand and took my glass  
I ain't focused on the flaws, I'm just focused on the draws  
I compliment her rather that I don't get no pussy at all  
She love the niggas that rat, she hate the niggas that ball  
I'm 'bout to have a casting quarter  
We gon meet some ladies tonight  
Cause we got so much Spades and we got so many cars  
We go shoppin' for days  
Everybody goin' cray, we gon party for weeks  
I said that money never sleeps and  
We gon meet some ladies tonight  
Cause we got so much Spades and we got so many cars

We go shoppin' for days  
Everybody goin' cray, we gon party for weeks  
I said that money never sleeps and  
We gon meet some ladies tonight  
We gon meet some ladies tonight  
We gon meet some ladies tonight  
We gon meet some ladies tonight (you're comin' home  
with me baby)  
How many women in the club got a one to five?  
Ain't had a break in days, know you need that glass of  
Spades  
Girl you know I got it for you, know I got more than one  
And we gon make that nigga jealous when that photo  
done  
So take that picture girl, just make sure you smile  
And text your babysitters, you know we gon be a while  
And we can do whatever, go to MIA and chill  
You try to travel state with him, I bet you never will  
But hell na, he ain't tryna lose you cause the head is  
real  
And all he wanna do is go in circles like the ferris wheel  
That nigga sellin' dreams, I got a better deal  
So girl come with me  
We gon meet some ladies tonight  
Cause we got so much Spades and we got so many  
cars  
We go shoppin' for days  
Everybody goin' cray, we gon party for weeks  
I said that money never sleeps and  
We gon meet some ladies tonight  
Cause we got so much Spades and we got so many  
cars  
We go shoppin' for days  
Everybody goin' cray, we gon party for weeks  
I said that money never sleeps and  
We gon meet some ladies tonight  
We gon meet some ladies tonight  
We gon meet some ladies tonight  
We gon meet some ladies tonight (you're comin' home  
with me baby)  
Fuck with me cause I don't that all these bottles for you  
Baby fuck with me cause I'm blowin' all these money on  
you  
Baby fuck with me cause I don't that all these bottles  
for you  
Baby fuck with me cause I'm blowin' all these money on  
you  
We gon meet some ladies tonight  
Cause we got so much Spades and we got so many  
cars  
We go shoppin' for days

Everybody goin' cray, we gon party for weeks  
I said that money never sleeps and  
We gon meet some ladies tonight  
Cause we got so much Spades and we got so many  
cars  
We go shoppin' for days (blowin' all these money on  
you)  
Everybody goin' cray, we gon party for weeks  
I said that money never sleeps and  
We gon meet some ladies tonight  
We gon meet some ladies tonight (We gon meet some  
ladies tonight)  
We gon meet some ladies tonight (We gon meet some  
ladies tonight)  
We gon meet some ladies tonight (you're comin' home  
with me baby)  
I said you're comin' home with me babe  
So fuck that nigga  
I said you're comin' home with me babe  
So fuck that nigga  
Tonight, tonight yea  
So fuck that nigga
