[Dr. Dre]

The streets is talkin'
Sayin Dre done changed
And he aint been to the hood,
well how the fuck i find game?
I studied this rap shit, still a hundred miles and runnin,
still makin aftermath classics
You might catch me out in traffic 05' Aston,
bitches askin' (where i'm from)
Ya'll forgot who helped 50 cent pop
I aint spent my own money since Eminem dropped
In 84' I had the streets locked
I am to gangsta rap what Biz Markie is to beat box
Niggaz think cause stopped on that Detox,
I traded in my all stars for some freeboks
The speaker still bumpin, beats still comin,
Comptons version of field drummin
Same Dre different strokes, same 64' different spokes,
same chronic just a different smoke

[Chorus: Nate Dogg]

If you don't know
(Aftermath, nigga witta attitude) (Game time niggaz,
Westside)
Where I'm from
(Nigga witta attitude) (Straight Outta Compton) (We
rock khakis and Chucks)
If you don't know
(Almost lost my life when Dre dropped The Chronic)
(Legend in the making)
Where I'm from
(Aftermath, you better watch your colors in the City of
Angels)

[The Game]

Y'all niggaz got it fucked up
What you thought cause I'm from Compton I couldn't
do numbers like Usher?
Platinum certified, nigga that's a mill' plus
Play both sides of the fence cause the Crips feel cuz'
See me ridin with Nate, nigga it's still Blood
You can C-walk to this, homey it's still love

Nigga I've been bangin since Mary J. did "Real Love"
(If you don't know) I painted the Rover black
The West coast is back, I can smoke to that
Moms got the CL-6, that's a fact
I bought the house, I'm just waitin on the platinum
plaques
Niggaz lookin for a cat to jack
Homey I'm willin to do two life sentences back to back
So please don't push me..
You niggaz is W-N-B-A, all pussy

[Chorus - 2X]
