Wish I could love the way, oh the way I lean on you

Wish I could walk away if one day I wanted to

Wish I could love a day of silence

But I'll miss you to the point of violence

Wish I could stand or have a chance without you

Wish I could love the way, oh the way I'm owned by you

Wish I could really say that I've got my own life too

Wish I needed nobody's assistance

Wish that I could find a little distance

Wish I could stand or have a chance without you
