Me and my friends
Been standing on the corner
Underneath the blinking streetlight
When we're in the mood
We'll do anything we wanna
Looks like we're
In the mood tonight

Tired of hanging around
With all the wannabes and the moon
Waiting to make a move
Tired of going no where
Ready for some action

Sick and tired of hearing
That we're down and out
The situation's out of control
We don't need no one to tell us
What it's all about
All we need is rock & roll

Repeat Chorus

Repeat First Verse

Repeat Chorus

We're looking for action Be the main attraction Ready for some action
