My spirit's hung so deep
I did not hear the phone ring
My spirit's hung so deep
I did not know that you were calling

The geese fly by
At 5 o'clock
Every night on the door
I could set my watch to it

Every now and again
The room fills up with a noise
Of women and kids
Screwing over each other

My spirit's hung so deep
I did not hear the phone ring
My spirit's hung so deep
I did not know that you were calling

We should tell em bright eyed
From behind enemy lines
Pack of lips set towards me
I smiled and surrendered

My spirit's hung so deep
I did not hear the phone ring
My spirit's hung so deep
I did not hear the phone ring
My spirit's hung so deep
I did not know that you were calling

Bring ring ring yeah
Bring ring ring yeah

See your face at the window
Through the mist and the shadow
I could swear it was her, it was (?)
I put my slippers on

My spirit's hung so deep

I did not hear the phone ring
My spirit's hung so deep
I did not hear the phone ring
My spirit's hung so deep
I did not know that you were calling

Bring ring ring yeah
Bring ring ring yeah
Bring ring ring yeah
Bring ring ring yeah
Bring ring ring yeah
