CHANGES IN MY LIFE

-Mark Sherman-

I was not so happy being lonely living without you
So I prayed so hard for your love in my heart I needed
you
Then I looked up in the sky and I'm thinking why oh
why,
These are all the many changes in my life

After all the caring and the laughter, no one is like you
I am not a preacher with a sermon, I'm so in love with
you
'Cause to live without your love like the sun that shines
above
Is the magic of the changes in my life

And Iâll never forget your love
You and I we were meant to be
Sweet as rain falling from the sky
You and I
These are all the many changes in my life

Listen to these words I want to give you on our love so
true
Donât forget I love you and I need you, Iâll always be
with you
So just looked up in the sky and youâll find out why oh
why
These are all the many changes in my life

And Iâll never forget your love
You and I we were meant to be
Sweet as rain falling from the sky
You and I
These are all the many changes
These are all the many changes
These are all the many changes in my life

(Instrumental)

And Iâll never forget your love

You and I we were meant to be
Sweet as rain falling from the sky
You and I
These are all the many changes
These are all the many changes
These are all the many changes in my life
These are all the many changes
These are all the many changes
These are all the many changes in my life.
