Well, it's Saturday night and I'm still free
And I ain't never gonna be
Eaten by the monster of love

(Don't let it get me)

It's hard to fight it off much more
I hear it drooling by the door
Eaten by the monster of love

(Don't let it get me)

It ain't a pretty sight to see the way it leaves 'em
It chews them up and spits out creatures with those
Goo-gooy-ey eyes
Sick sickly smiles
It just ain't right

And my mother said "don't worry, hun"
But look at her, she should have run
Eaten by the monster of love

It's worse than war, it's worse than death
There ain't too many left who ain't been
Eaten by the monster of love

(Don't let it get me)

It ain't a pretty sight to see the way it leaves 'em
It chews them up and spits out creatures with those
Goo-gooy-ey eyes
Sick sickly smiles
It just ain't right

Eaten by the monster of love
Let it huff, let it puff
Eaten by the monster of love
I hate to gripe, but I just ain't the type

(Don't let it get me, don't let it get me...)

Sometimes it takes a nip at me
But I'm too quick to ever be
Eaten by the monster of love

Eaten by the monster of love

(Don't let it get me, don't let it get me...)
