Come to plague me, rape and take me
Freeze me up, freeze me up
Politician, inquisition
Freeze 'em up, freeze 'em up
Freeze 'em up

They're closing in, the iron round
They hold the snare in hand
To strangulate your way to live
The norm always wins in the end

Hold your ground
Or tomorrow 'twill be taken
Hold your ground
Or tomorrow 'twill be taken
Tomorrow 'twill be taken

Law and order wall and border
Freeze me up, freeze me up
Automatic, democratics
Freeze 'em up, freeze 'em up
Freeze 'em up

No parole on your house wall
So nice and clean our land
And though they crash the hammer down
Resistance lives on in the end

Hold your ground
Or tomorrow 'twill be taken
Hold your ground
Or tomorrow 'twill be taken
Tomorrow 'twill be taken

They sneak around, they spy your mind
Your unborn child's a number on their way
Into the gray
Insanity, they steal your dreams
They promise everything but they betray
Day after day

Hold your ground

Or tomorrow 'twill be taken
Hold your ground
Or tomorrow 'twill be taken

Hold your ground
Or tomorrow 'twill be taken
(Aah!)
Hold your ground
Or tomorrow 'twill be taken
(Aah!)
Tomorrow 'twill be taken
(Aah!)
Tomorrow it will be taken
(Oh oh oh)
