How do I get to Carnegie Hall?
How do I get to Carnegie Hall?
How do I get to Carnegie Hall?
How do I get to Carnegie Hall?

Practice, man, practice
(Practice, man, practice)
Practice, man, practice
(Practice, man, practice)

How do I get to Carnegie Hall?
Practice, man, practice
How do I get to Carnegie Hall?
Practice, man, practice
To get yourself to Carnegie Hall
Practice, man, practice
How do I get to Carnegie Hall?
Carnegie Hall, Carnegie Hall

Technical facility,
Old-world sensibility
All of this I did for you
Still there is no sign of you

I practiced, I practiced
Carnegie Hall was beckoning
I practiced, I practiced
Carnegie Hall was beckoning
I was ready, I was ready
Carnegie Hall was beckoning
Still there is no sign of you,
Still there is no sign of you

Practice, man, practice
(Practice, man, practice)
Practice, man, practice
(Practice, man, practice)

How do I get to Carnegie Hall?
Practice, man, practice
How do I get to Carnegie Hall?

Practice, man, practice
To get yourself to Carnegie Hall
Practice, man, practice
How do I get to Carnegie Hall?
Carnegie Hall, Carnegie Hall

On the Steinway (On the Steinway)
On the Steinway (On the Steinway)
On the Steinway (On the Steinway)
On the Steinway (On the Steinway)
On the Steinway (On the Steinway)
On the Steinway (On the Steinway)

They loved it, they showed it
The audience was deafening
I was ready, I was ready
The critics all said, "riveting"
On the Steinway, on the Steinway
I guess it doesn't mean a thing
Still there is no sign of you,
Still there is no sign of you

How do I get to Carnegie Hall?
Practice, man, practice
How do I get to Carnegie Hall?
Practice, man, practice
How do I get to Carnegie Hall?
Practice, man, practice
How do I get to Carnegie Hall?
Practice, man, practice

I practiced, I practiced

How do I get to Carnegie Hall?
Practice, man, practice
How do I get to Carnegie Hall?
Practice, man, practice
How do I get to Carnegie Hall?
Get down, lean and sing
Still there is no sign of you.
Still there is no sign of you.
Still there is no sign of you.

Practice, man, practice
Practice, man, practice
Practice, man, practice

No sign of you...
