I see a hole in the sky  
But don't ask me why I'm so down and so lonely  
No one will understand why  
There's a voice in my head and I know it's the only  
I see the children play, with fire in their eyes  
And when the day begins  
..Another day in life

CHORUS

I'm standing tall 'cause I won't fall  
'Cause I'm no stranger to myself  
I see horizons in my sky  
'Cause I'm no stranger to myself  
Days full of joy  
Are divin' down the pain  
Into the sun, a mother's son  
Is just about to fly  
I see the morning come, with fire in my eyes  
And when the day begins  
..Another day in life

CHORUS

SOLO: Kai / both

I see the morning come, with fire in the sky  
And now the day begins  
..another day in life  
I'm standing tall 'cause I won't fall  
'Cause I'm no stranger to myself  
I see horizons in my sky  
'Cause I'm no stranger to myself  
No, no, I'm no stranger to myself
