Searching every day, looking every way  
Trying to make a connection, to find a piece of the  
action

Like the hungry poet, who doesn't know  
He is close to perfection, choice is the question

Moonlight night after moonlight night  
Side by side they will see us ride  
But if they cared to look, than they would see

It's our return to fantasy, fantasy, fantasy  
Fantasy, fantasy, fantasy

Can you understand, that in every man  
There's a need to unwind, that's never been defined

Somewhere deep within, there's another being  
You are somehow abusing, by the person you're using

Moonlight night after moonlight night  
Side by side they will see us ride  
But if they cared to look, than they would see

It's our return to fantasy, fantasy, fantasy  
Fantasy, fantasy, fantasy

Travelling faster than lightning  
Closer than ever before  
We can go on for you, and take you nearer to  
The legend of mystery from the beginning of time  
Dreaming... TIME... Dreaming

We can return to the land of the good and the kind  
TIME... Dreaming... TIME... Dreaming  
Why don't you come to our party and open your minds

In another place, there's a newer face  
Like an unfinished painting, your creator is waiting  
The brush and pen describe, what it is inside  
That will set your mind thinking, while the others are  
sinking

Moonlight night after moonlight night  
Side by side, they will see us ride  
But if they cared to look, than they would see  
It's just our return to fantasy, fantasy, fantasy, oh yeah  
Fantasy, fantasy, fantasy
