[Music by: Zimmermann / Lyrics by: Zimmermann]

Master of delusion he's sowing seeds of hate  
Burning sermons, evil thoughts, he's bound to seal our  
fate  
Human minds infected by hypnotizing words  
Foretelling lies, catastrophes, it's time for our rebirth

[Pre-chorus]

You're suffering from pain to clean up your karma  
Following the path of no return  
Blackening your soul foreswearing your freedom  
Killing your hope for living life in peace

[Chorus]

Evil Messiah... the world's set on fire  
He promised salvation but sent you to hell  
Almighty liar... satanic desire  
Eternal damnation comes after your fall

Spiritual dictator, a murderer in white  
Illuminated living god, the reaper with a scythe  
A deadly operation, a mass destruction curse  
Effective hightech armoury, a raging storm unfurls

[Pre-chorus]

You're suffering from pain to clean up your karma  
Following the path of no return  
Blackening your soul foreswearing your freedom  
Killing your hope for living life in peace

[Chorus]

Evil Messiah... the world's set on fire  
He promised salvation but sent you to hell  
Almighty liar... satanic desire  
Eternal damnation comes after your fall... after your  
fall

You pay for your salvation enlightenment within  
Renouncing the material world, your agony begins  
Completely isolated from the outside world  
Fellowship will make you all immortal in reverse

[Pre-chorus 2]

You're suffering pain to clean up your karma  
Following the path of no return  
Blackening your soul, foreswearing your freedom  
Shattering your hope for living life in peace

[Chorus 2]

Evil Messiah... the world's set on fire  
He promised salvation but sent you to hell  
Almighty liar... satanic desire  
A heart full of anger for no one to see  
Evil Messiah...  
Eternal damnation comes after your fall
