Mankind has found every treasure on earth
It stands to reason that we have got all we want
Comfort is now a condition of life
Without any sources our dream will fade away

To live a better way
Was our final aim
Did we ever try?

Start running

The moment of reason will somebody appear
But then it's too late to return or to stay
No single person can change the truth
We have to move forward and do it side by side

To live a better day
Is our final aim
And we won't stop tryin'

Start running
Can't you see the
Hangmen are comin'?

Start running
Can't you see the
Hangmen are comin'?

The things we have done
To destroy our world are enough
How long will the madness remain?

We're children of the warriors
We learn from our faults
Hope is our guiding hand
Conscience is our force

Start running
Can't you see the
Hangmen are comin'?

Start running

Can't you see the
Hangmen are comin'?

Start running
Can't you see the
Hangmen are comin'?

Start running
Can't you see the
Hangmen are comin'?
