Hey, this world's a dying planet  
nothing matters, nothing's won  
I have come to seek revenge  
for all that you have done

Hate and fear, eternal sadness  
nothing matters, no one cares  
I am here to stop the madness  
free you from despair

Once I heard the white dove sing  
it was the sound of peace  
beauty dies in agony  
crushed under debris

She was so beautiful  
she was a dream  
and when I cry for her  
I hear them scream..

No respect, no heart for nature  
led by greed they tear our soil  
ripped, the sky, the damage major  
the air is at the boil

Here create another wasteland  
on and on 'til nothing's there  
here it comes, the devastation  
poisoning the air

Once I saw the eagle fly  
it was the sound of peace  
beauty dies in agony  
crushed under debris

She was so beautiful  
she was a dream  
and when I cry for her  
I hear them scream..

You were so beautiful  
you were a dream

all we shall heed the call  
shall be redeemed

She was so beautiful  
she was a dream  
and when I cry for her  
I hear them scream..  
Oh Mother Earth  
You were so beautiful  
just like a dream  
all we shall heed the call  
shall be redeemed  
Yeah!
