Father can you hear me, did you talk to Mother Earth
What did they say, what did they see ,now ... Is it time
for your
rebirth ?

Open up the silent center of your mind,
I now want to know the future of your kind
In the valley of the kings, when the storm breaks loose
again

Then the gods return to fight, for the future in their
lives

In the valley of the kings

Mother can you hear me, did you talk to Father Moon
I don't want to leave my brothers in this temple of their
doom

Open up the silent center of your mind
I now want to know the future of your kind
In the valley of the kings, when the storm breaks loose
again

Then the gods will spread their wings

In the valley of the kings

Ra vite, Deus sanktus, Ra vite

Ra vite, revertate, Ra vite

SOLOS : Kai / both / Kai / Henjo

Oh Mother Earth do you believe there is a place for us
to go

Come set us free again and let us fly away and give us
hope

There'll be a time for us to fly to our thrones up in the
sky

In the valley of the kings, when the storm breaks loose
again

Then the gods will spread their wings

In the valley of the kings
