Victim Of Changes lyrics

Whiskey woman don't you know that you are drivin' me  
insane

The liquor you give stems your will to live and gets  
right to my brain

Don't you know you're driving me insane

You're tryin' to find your way through life

You're tryin' to get some new direction

Another woman got her man

She won't find no new connection

Takes another drink or two, things look better when  
she's through

Takes another look around, you're not goin' anywhere  
You've realized you're gettin' old and no one seems to  
care

You're tryin' to find your way again

You're tryin' to find some new...

Another woman's got her man

But she won't find a new...

Takes another drink or two, things look better when  
she's through

You 'bin foolin' with some hot guy

I want to know why is it why

Get up get out you know you really blew it

I've had enough, I've had enough, good God pluck me

SOLO

Once she was wonderful

Once she was fine

Once she was wonderful

When she was mine

Now change has come over her body, she doesn't see  
me anymore

Now change has come over her body, she doesn't see  
me anymore

Changes, changes, changes, changes  
Victim of changes
