Verse:

I woke up today  
Like yesterday  
I went out to score some anti-pain  
But i need your voice not something else  
On this Sunday in the rain

Verse 2:

I faded away  
More every day  
Feeling less meant something more  
Yeah, I never stopped to check the score till this  
Sunday in the Rain

Bridge:

Well i know i lied to you  
And i denied all your pain  
I justified my own point of view  
And now i'm standin' all alone  
In the rain

Bridge 2:

We'll get it right you'll see  
And all your sorrow all repay  
To send out light to me  
And let me know there's a way  
If there's still way

Verse 3:

I woke up today  
Like yesterday  
Went out to score some anti-pain  
But my real addiction is getting plain  
On this Sunday in the Rain

Yeah, I need your voice not something else  
On this Sunday in the Rain  
Sunday in the rain
