(Screaming)

Kill a commie x2  
I don't wanna die!

Kill a commie x2  
I don't wanna go to war!

Kill a commie x2  
Before he kills you!

Kill a commie x2  
That's all I wanna do!

Kill a commie x2  
I don't wanna die!

Kill a commie x2  
I don't wanna go to war!

Kill a commie x2  
Before he kills you!

Kill a commie x2  
That's all I wanna do!

Kill a commie x2  
I don't wanna die!

Kill a commie x2  
I don't wanna go to war!

Kill a commie x2  
Before he kills you!

Kill a commie x2  
That's all we have to do!
