Woke up this morning desperation a.m.  
What I've been saying won't say them again  
My head's not empty, it's full with my brain  
The thoughts I'm thinking  
Like piss down a drain

And I feel like a beetle on it's back  
And there's no way for me to get up  
Love'll get you like a case of anthrax  
And that's something I don't want to catch

Ought to control what I do to my mind  
Nothing in there but sunshades for the blind  
Only yesterday I said to myself  
The things I'm doing are not good  
For my health

"love crops up quite a lot as something to sing about,  
Cos most groups make most of their songs about  
falling in love  
Or how happy they are to be in love,  
You occasionally wonder why these groups do sing  
about it all the time -  
It's because these groups think there's something very  
special about it  
Either that or else it's because everybody else sings  
about it and always has,  
You know to burst into song you have to be inspired  
And nothing inspires quite like love.

These groups and singers think that they appeal to  
everyone  
By singing about love because apparently everyone  
has or can love  
Or so they would have you believe anyway  
But these groups seem to go along with what, the  
belief  
That love is deep in everyone's personality.  
I don't think we're saying there's anything wrong with  
love,  
We just don't think that what goes on between two  
people

Should be shrouded with mystery."

Love'll get you like a case of anthrax  
And that's something I don't want to catch  
Love'll get you like a case of anthrax  
And that's something I don't want to catch
