The family's head gives orders  
In the end, what he says goes  
This system's well constructed  
She owes him all she gets

The army has it's uses  
In times of civil crisis  
'Allo boys! Seen any action?  
Hey boys, seen any... action?

Pull together with your mates  
Against the common enemy  
The Private's not born that way

The Private's not born that way  
Guns take up all his time  
With no job he'd be in a mess  
Wanted action, gets some in

She pays him back in the bedroom  
One step down from her leader  
Obeys, or is punished  
Like he obeys his bosses
