Aim for the body rare, you'll see it on TV  
The worst thing in 1954 was the Bikini  
See the girl on the TV dressed in the Bikini  
She doesn't think so but she's dressed for the H-bomb  
I found that essence rare, it's what I looked for  
I knew I'd get what I asked for  
Aim for the country fair you read it in the papers  
The worst happens any week a scandal on the front  
page  
See the happy pair smiling close like they're monkeys  
They wouldn't think so but they're holding themselves  
down  
Aim for politicians fair who'll treat your vote hope well  
The last thing they'll ever do act in your interest  
Look at the world through your polarized glasses  
Things'll look a whole lot better for the working classes
