MARIPOSA COUNTY LINE - by Gaither Drake

Just over the Mariposa County line  
Started thinking about the time I had with you  
And though I'd never want to do it again  
I still think of you as a friend  
You know I do  
And even as the days go by  
Sometimes I wonder why we never made it for good  
And as the miles between us grow so long I realize it  
doesn't matter  
But it should

Mariposa County blues  
Coming down on me  
Like a bolt of lightning on a ponderosa tree  
Where will I go from here  
What will I find  
When I finally get myself across the Mariposa County  
line

It's supposed to be snowing this time of year  
But it's warm and the air is clear  
The wind is free  
But deep inside me there's a hollow shell  
I know nothing's gonna make it well  
So I let it be  
All along the winding road  
Through all of the rain and snow  
Alone now, away from you  
After all the games I've tried and  
After all the tears I've cried it's hard not  
To feel blue

Mariposa County blues  
Coming down all day  
Like a rolling fog along the San Francisco Bay  
Where will I go from here  
What will I find  
When I finally get myself across the Mariposa County  
Mariposa County blues

Coming down on me  
Like a bolt of lightning on a ponderosa tree  
Where will I go from here  
What will I find  
When I finally get myself across the Mariposa County  
When I finally get myself across the Mariposa County  
line
