Visit "[Why Theory](#)" on [MotoLyrics.com](https://MotoLyrics.com)

People got their opinions  
Where do they come from?  
Each day seems like a natural fact  
But what we think changes how we act

People got their opinions  
Where do they come from?  
Distant blood of ruvvies  
Won't discover money come on

Each day seems like a natural fact  
And what we think changes how we act

So to change ideas  
Change is what we do  
Too much thinking makes me ill  
I think I'll have another gin  
A few more drinks it'll be alright

Each day seems like a natural fact  
And what we think changes how we act

Each day seems like a natural fact  
Each day seems like a natural fact  
Each day seems like a natural fact  
Each day seems like a natural fact
