It has come to our attention that a mysterious force is  
loose

Somewhere in outer space, the mysteries of creation  
are there

Up in the sky, up in the sky

The moon and the planets are there

And new hopes for knowledge and peace are there

And therefore as we set sail, we ask God's blessing

On the most hazardous and dangerous and greatest  
adventure

Of which man has ever embarked, prepared for lift off

I self lord and master shall bring disaster to evil factors

Demonic chapters, shall be captured by kings

Through the storms of days after

Unto the earth from the sun through triple darkness to  
blast ya

With a force that can't be compared

To any fire power, for it's mind power shared

The brain wake causes vessels to circulate

Like constellations reflect at night off the lake

Word to the father and mother earth

Seeking everlasting life through this hell for what it's  
worth

Look listen and observe

And watch another c-cypher pullin' my peeps to the  
curb

Heed the words, it's like ghetto style proverbs

The righteous pay a sacrifice to get what they deserve

Cannot afford to be confined to a cell

Brainwaves swell, turnin' a desert to a well

Experience the best teacher, thoughts will spray

Like street sweepers little daddy street preacher

Illustrious feature, narrator you select

Accompanied by deck plus the DJ you respect

The seven and a half combine, over the front line

The ten per centers, promotin' slander in the airtime  
Bear in mind jewels be the tools of the trade  
Sharp veins heavenly praise and dues are paid

Above the crowds  
Above the clouds where the sounds are original  
Infinite skills create miracles, warrior spiritual  
Above the clouds, reigning down, holdin' it down

Yeah, I leave scientists mentally scarred, triple extra  
large  
Wild like rock stars who smash guitars  
Poison bars from the gods bust holes in your mirage  
And catch a charge shake 'em down like the riot squad

And they deserve ruin like ancient Rome  
I span the universe and return to earth to claim my  
throne  
The maker, owner, plus soul controller  
Ayatollah rest in the sky, the cloud's my sofa

Stand like colossus, regardless to whom or what  
Numerous attempts at my life, so who to trust  
Who but us, to supply you with the fire?  
The burning truth, 150 absolute proof

On the mic like Moses spoke in golden scribe  
Survivor of the oldest tribe whose soldiers died  
I notified families, we shed tears and more  
But our hands are the ammo 'cause the battle's still on

Sound the horn, we come rumblin' through the function  
Precise laser beam technique to touch somethin'  
When we die hard, to build the monument to honor us  
with  
Humongous effect in the world we could have  
conquered it

Above the crowds  
Above the clouds where the sounds are original  
Infinite skills create miracles, warrior spiritual  
Above the clouds, reigning down, holdin' it down

Above the crowds  
Above the clouds where the sounds are original  
Infinite skills create miracles, warrior spiritual  
Above the clouds, reigning down, holdin' it down
