I profess and I don't jest cause the words I manifest  
They will take you, sedate you, and I will stress upon  
You the need for, you all to feed your  
Mind and soul, so you can lead your-self  
To keep, I got a real objective here  
I am effective here, cause I select a clear  
Message to all, suckers I maul they fall from  
Into the pit of purgatory  
I go for glory, I take an inventory  
Countin all the tough luck ducks while I narrate  
Relate and equate, dictate and debate  
My fate is to be, cold makin history  
I use sincerity, but I'm so very deep  
Doubts are questions, of all the skeptics  
I'm kickin clout and, I'll leave you vexed  
It's just true, there's nothing so-so cause I know  
Right about to spin it I'm in it admit it I did it  
To you, cause this is what I'm into  
So chill while I instill that we all must fulfill  
The proper mission for us and yo this is a must  
It's usually lines of my rhymes I ingest  
These are the words that I manifest, I manifest

I suggest you take a breath for the words I manifest  
They will scold you and mold you, while I impress upon  
You the fact that, I use my tact at  
Rhymin for climbin, and chill while I attract that  
Girl you're with, I got a sincere quality  
I give her all of me, cause you're too small to be  
Tryin to riff, so let me uplift and shift my gift  
Let's go to the fullest capacity  
I got tenacity, because I have to be  
The brother who must live and give with much insight  
Foresight to ignite, excite and delight  
And you might gain from it, or feel pain from it  
Because I'm ultimate, and I'm about to let off  
Knowledge is wisdom, understanding  
Truth's the proof, so won't you throw a hand  
In the air, put up a peace sign and be fine  
If so we're feeling good we should we could we would  
Stop, think for a moment ok?  
And then sway while I convey that we must do away

With all the stress and the strife, so God bless your life  
Use kindness, and never blindness  
And you will find that this perspective is best, check it  
out  
These are the words that I manifest, I manifest

I convey that what I say will awaken you today  
After jockin while I'm talkin, but anyway  
That you put it I give you, lyrics to live to  
Righteousness rules, so I forgive you this time  
For you are being very ignorant  
That's insignificant, I guess you figured and  
Hoped to be, dope as me, I'd you flee  
Because the rest is too much for you  
I'm your professor, I got the touch to  
Do more than the rest who fess and can't compete  
I'm elite I'll defeat delete and mistreat  
Make mincemeat of other fools, cause I'm the brother  
who'll  
Snatch up the funds and, make lonely ones  
I meant it really, cause I'm clearly obsessed and i  
These are the words that I manifest, I manifest
