As I deliver rhymes with ease and walk around with my
head up
I'm dead up serious so don't be getting too curious
Motherfuckers always wanna know what makes me tick
I'll pull a phrase out quick 'cause I'm dipped and I'm
slick
You thought that I would slip 'cause you seen me
drinking forty's
It shocked you then you told your friends you saw me
Well say what you want 'cause all of mine is in tact
In fact I'll have you open like a hookers gap
I like to catch a buzz 'cause I get into the beats more
Mc's are washed up like dead fish on the seashore
Save the talk 'cause you know I walk that walk
Hitting city to city but I make my home in new york
I know the time with this rap shit 'cause they got it all
backwards
They need to take a hint or catch my microphone
imprint
Straight to the dome through the skull to the tissue
Call me guru I'll diss you if you're pressing the issue
Not my style to be sweatin' all the stupid ass rumors
I take it as a compliment and fuck you too
If you're scheming on the chance to put a stain on my
name
Don't even think about it 'cause ain't no shame in my
game

No shame in my game

Stick to the subject I ain't afraid to be real
A lot of mc's fake hard just to gain appeal
I like some gangster rap, don't like the prankster crap
So I get passed all that by kicking straight up facts
There ain't no reason to shoot unless you got beef
If you pull out and you don't use it than you may catch
grief
Toolies and techs ain't toys but kids got 'em today
And if they're ready to spray best get the fuck out the
way
I try keeping my sanity by thinking of better times
If I write clever rhymes then maybe I'll climb

But what the hell's success if the mess ain't changing
50's still corrupt stupid gangs still bangin'
Stick up kids still stickin' nasty hookers still trickin'
All the pimps still pimpin' and all the crackheads
trippin'
While the dealers still sellin' so I'll refrain from the
yellin'
And the preachin' 'cause who the fuck would I reach
man
Niggaz don't wanna stop that, they wanna live fat
Who'd wanna clean up their act when the papes come
in stacks
They live for the minute and they're all wrapped up in it
It's an unfortunate state for many it's too late
Now death stalks the streets and it's right at your gate
So bug, lose your mind but I ain't goin' insane
I'll kick the fly lyrics 'cause ain't no shame in my game

No shame in my game

Life's a bitch so who are we to judge each other
I know I got faults I ain't the only motherfucker
Stuff I heard about you wasn't too cool you know
Like how you smoke wools and that your girl's a ho
But I don't listen to shit unless the story's legit
Knuckleheads need to quit 'cause they be riding the
dilsnick
But I'll be taking care of business regardless
And when it comes to rhyming you know I'm hitting
hardest
So you can kick dirt but in the end you'll feel pain
You little sucker, there ain't no shame in my game
