[DJ Premier]

The real....remix

More MCing, and DJing

From your own mind, ya know?

"I-I guess right now we should start the show"

[Guru]

Please baby, we gettin G's, you know the steez baby

Ain't no if's, no and's, no but's or no maybe's

The vibe'll drive you crazy, almost break your neck

Again we take respect, remember Just To Get A Rep?

Sportin baggy pants, mackin stackin finance

Bold figure, older nigga, yo watch me advance

Used to be a small cat, now I'm all that and more

Puttin the pressure on, catchin rep from the dog

Pure secure, injectin like the fuckin doctors

Smoother than silk, more milk than Louie Pasteur

Ask yourself, "Do you wanna mess wit this?"

The specialist, turn the page, I bring the rage when I spits

Then the set gets wet, I bring the crowd into a frenzy

Leave you sleepin wit the fishes, see how them niggas envy

Authentic vocal tone, transmittin like a mobile phone

Welcome to my ghetto my man, hope you can hold your own

I make you first name To The, last name Curb

I gets grimy, stimey, who you? Revenge of the herbs

I ain't seen you out here, and you ain't got no clout here

Your style don't come across, you lost this bout here

At five-eight and three-quarters, I be the warrior sargent

Gang Starr, rippin clubs and bars

Super-star studded, buyin rings that's flooded

On the low, countin dough in this rap life I love it

You know my steez

"You know my steez" [Method Man]

"Let em know, do your thing dog" [ODB]

"Keep it live" *scratching*

"To the beat y'all"

[Lady of Rage]

Check check check check it out y'all

You best to b
