Dick suckin' hoe, nut suckin' hoes
Hoes, hoes they aint nuthin but hoes
Gangsta Boo
Pussy eatin niggas, broke ass niggas
Niggas, niggas aint nuthin but niggas
Juicy-J
Hangin on the corner with my nigga P
Just across the street
Walkin up a freak
I heard her name Gretchen

Her pussy tight and gripping
Straight from the hood so we call her chicken
Lookin like her mother,smellin' like her granny
Switchin with a skirt
Never wearin panties
Said she want a friend to screw her at summer inn
Hydro weed and a case of henn
Take her to a room,next thing ya know
A nigga hit the do like he on that blow
I was havin fun tryin' to get her tongue
Then he pulled a gun so I had to run
Call up on the boys smokin' on the pound
Rolled through his hood left him in the ground
Make another stop house of the slut
Walked in the crib beat the bitch up
[Chorus 2x]
Gangsta Boo
Chillin in Miami
Where da bitch at

Restin up to party a club where da stars at
You got that,don't act like you don't when you hit this
You know that, you licked on my pussy you trick bitch
So left bitch, you dig this my pimp shit is too thick
For me to be fuck with so fuck all that gossip
And watch this not topless but Boo bitch so sexy
