What's the motherfucking business?  
I'm tryna tell ya it's hard not to kill you chicken-head

Talking all that motherfucking shit but it's all good  
I done caught a few charges

I ain't scared to catch some more  
You hear me bitch? Come to my motherfucking do'  
And watch me pluck yo' motherfucking feathers

I'm the girl about the cash, I'm the lady with the mask  
I'm the one with the trigger, watch me pull it, make it  
blast  
I'm the one who got some niggas, I'm the one who got  
the gat  
I'm the one they call "Miss Lady Gangsta" sweep you  
off the map

What, you tryna step to me, 'cuz you feeling like a  
killer?  
In my eyes, I see bloody skies, dump you in a river  
I'm the motherfucking girl who talking all that shit  
I'm the first lady of the motherfucking triple six

I'm the first one to call a hit on yo' fucking crew  
I'm the one who got you whacked, 'cuz you fucked with  
Gangsta Boo  
I'm the one who be yelling, "Blaze the blunt" if you got  
it  
I'm the one that's yelling "Sike" 'cuz I got my own fire

If you haters wanna rumble bring yo' Anna to the do'  
Hoe you know how you can get me, you can catch me  
at a show  
This is how I represent for my ghetto-gangsta niggas  
If you want a gangsta-girl, holla at a lady boy

It's hard not to kill niggas  
It's like an everyday job not to kill niggas  
(I'll kill)  
Niggas you better know that

It's hard not to kill niggas  
It's like an everyday job not to kill niggas  
(I'll kill)  
Niggas you better know that

It's hard not to kill niggas  
It's like an everyday job not to kill niggas  
(I'll kill)  
Niggas you better know that

It's hard not to kill niggas  
It's like an everyday job not to kill niggas  
(I'll kill)  
Niggas you better know that

You need a girl that's gonna get high with you  
Lie with you, cry with you, ride with you, die with you  
All that type of shit I'll do  
I'm the type of girl that's gonna be down for mine  
All the time, on the grind

Ready to ride, folks by my side without spilling a dime  
It really don't even matter to me  
Dwelling, I'm chilling in the B.H.Z.  
Flipping the script, and coming so clean

I'll forever be known as La-to the-Dy

(Lady)  
Bitches and niggas can't feed off of me  
I'm riding and mobbing with H to the C  
P to the posse, you haters can't stop a bitch  
Because it's meant to be

Gangsta, the gangsta is coming so hard  
I be known as the bitch with the attitude  
Listen, you hear me, I'm saying it's all to the good  
Don't be a damn fool

You need a girl that's gone holla out your do'  
The folks is kicking in your do'  
I be the one that be coming like my name is "Cleo"  
Be knocking you straight to the flo'

I love gangsta niggas, gangsta niggas love me  
Me and a gangsta nigga got our fucking family  
This is how I represent for my ghetto-gangsta niggas  
If you want a gangsta girl, holla at a lady boy

It's hard not to kill niggas  
It's like an everyday job not to kill niggas

(I'll kill)  
Niggas you better know that

It's hard not to kill niggas  
It's like an everyday job not to kill niggas  
(I'll kill)  
Niggas you better know that

It's hard not to kill niggas  
It's like an everyday job not to kill niggas  
(I'll kill)  
Niggas you better know that

It's hard not to kill niggas  
It's like an everyday job not to kill niggas  
(I'll kill)  
Niggas you better know that

Fuck them other niggas, I be hanging with my fucking  
click  
Out to get that cheddar, 'cuz it's better when you  
having shit  
Doing gangsta stuff got me sitting off in a beamer  
truck  
Gangsta like to fuck, hit me later, let me know what's  
up

Marching and stepping, I got the bullets, I'm gonna use  
'em  
Professional slanger I'm out the jump  
(Talking, unlock the motherfucking do')  
I'm packing the weapon, commence to steppin' up to  
your face  
As I buck, you will die, I bounce the scene and without a  
trace

If it's Anna to handle, the Misses Gangsta is 'bout her  
biz  
I be coming and gunnin', I thought you hoes knew what  
time it is  
When you see me you know that it's some shit, 'cuz I  
don't come out  
I'll be in yo' house, I'm on the couch with the pistol out

I be taking them chances, 'cuz I'm a gangsta that's  
claiming clout  
If you bitches keep pressing off in my grill, I'm a choke  
you out  
This is how I represent for my ghetto-gangsta niggas  
If you want a gangsta girl, holla at a lady boy
