Queen of Memphis

[Chorus: repeat 2X]

I thought you knew, I thought you knew that we be

I thought you knew, I thought you knew that we ain't
takin no shit
I thought you knew, I thought you knew we turnin
crumbs to bricks
I thought you knew, that I'm from Memphis where the
shit is so thick

(Crunchy Blac)
You tryin to be me, but you can't be me
You tryin to see me, but you can't see me
It's hard for you to see, me in this industry
Hustlin in the skreet, tryin to get me some eat
I'm tired of them fuckin games, I'm tired of them fuckin
chains
Somebody got locked down, and shackled with fuckin
chains
They ruined their fuckin brain, they ain't treated like a
man
This shit gotta stop here, I'm tryin to maintain
But I can't maintain, cause niggas be actin strange
Just let me know the biz, and I'm gonna handle it man

So I can have some change in this fuckin lifetime
But it ain't nuttin for me man to get out on the grind
And to do what I gotta do and shoot who I gotta shoot
I'm paper like chasin nigga or tryin to be just like you
I'm tryin to ride big cars I'm tryin to have faith in god
I put it in his hands so it won't be so hard

[Chorus]

(Gangsta Boo)

I thought you knew that me and Crunchy Blac be rollin
up bud
I thought you knew when I be comin escalade on them
dubs
I thought you knew I thought you knew I know you hatin
on me
I thought you knew, fuck you nigga C to the B

(Crunchy Blac)

I thought you knew that if you mess with boo you
messin with me
I thought you knew I lay your bitch ass off in the skreet
I thought you knew that you can call the motherfuckin
police
I thought you knew you you can get the fuck away from
me

(Gangsta Boo)

We be out here in the streets constantly tryin to make it
Fuck a record this ain't shit nigga savin my paper
Do a song give me 20 thou pile on the plate
The Queen of Memphis bout her business nigga dodgin

(Crunchy Blac)

See I'm out here hustlin workin my musclin
Tryin to get me somethin to eat
Y'all out here like tussilin
And fusserin about the way that we make our fuckin

[Chorus]

(Gangsta Boo)
