I'm gonna be a rock and roll star
Gotta groove from night to day
Gotta blow my honey jar
Gonna blow my blues away
I'm gonna make a stand
Gonna make a million
Gonna make it with you
I'm gonna be wild, my friend
I gotta push it through
It's electric
It's electric
It's electric
It's electric
I stop on red but I leave on amber
Danger paves my way
I'm gonna make it, my friend
Gonna make it today
Gonna kick the dust from my heels
Down the highway I go
Gonna get the stars from my pride (?)
Make it in a rock and roll show
It's electric
It's electric
It's electric
It's electric
I stop on red but I leave on amber
Danger paves my way
I'm gonna make it, my friend
Gonna make it today
Gonna kick the dust from my heels
Down the highway I go
Gonna get the stars from my pride (?)
Make it in a rock and roll show
It's electric
It's electric
It's electric
It's electric
It's electric
It's electric
