Verse1(G.B)- Been with this nigga for 3 fuckin' years.
Now, this bitch wanna take my place over here. This
bitch don't know who I am. So she better watch out
before I give her a body slam. Fed him, caressed him,
helped him and fucked him. Now, she wanna take my
place as his girlfriend. That ain't happening, so get the
fuck outta here. This nigga belongs to me, is that
clear?

Chorus- He's MY MAN! What, What, What, Whattt?
(repeat3X)

Verse2(Rasheeda)- Bitch, you don't know shit about
me. I don't want the nigga, just want his dick inside of
me. I'm a freak. Not a 1-man girl. If ya think I'm lyin, ya
outta this world. I'm a gangsta bitch, (G.B- No, I am
trick!), that's what I mean when I say you don't know
shit. Got ya ears closed but ya mouth is wide open.
Either yo ass talk to much or you just dick-suckin. I think
you got to much mouth. Now, I'ma have to bring out the
dirty, dirty south.

Chorus (repeat3X)

Verse3(D.P)- I don't know why bitches fight over a nigga
like me. I'm just another gangsta ridin' with my fellow
G's. I wanna fuck both of you but I can't take gangsta-
bitch fightin' over me from you 2. So ya'll bitches need
to figure it out. And if ya'll keep sayin' shit to each
other, ya'll will never get this nigga.

Chorus (repeat3X)

Dialogue- G.B- I think I owe an apology to dat girl.

RA- Me Too

G.B- So let's do this.

RA- And do what we gotta do.

Both- Buttt... Chorus Out...
