Everytime I look around niggaz say my name

Boy, what you think on when you gimmie brain

No I ain't gospel cause I changed my name

Niggaz lookin sick like they lost six

Opps I meant to say fuck em shh--

No, I meant to say oops and fuck em shh--

Nigga I got my own mafia

UGQ and the street ringers popular

Where the Boo baby I been chillin'

Shawtee gotta keep it in sippin and pimpin
I know yall gonna hate it when I say-
Ride round town hate on me anyway
It really dizz-ont mizz-atter
Because the dizzlady gonna mizzake it
To the next day
I been getting myself together
Dodgin' all the stormy weather
I'm in yo hood lookin good
Ride real good, leather and wood
I got my own label
Kicked niggaz out that wasn't loyal
Watch niggaz crumble up like foil
Niggaz be crowning me cause I'm royal
STOP IT!
