1 - wanna go to war wit me baby?  
This gangsta bitch can get crazy  
Don't you decieve this lady  
Don't fuckin' play wit me baby

Repeat 1 (3x)

I'm kickin' it, I be doin' that playa shit  
You be doin' that hoe shit, hatin' up on me bitch  
I cannot help I'm a prophet queen, ridin' until I die bitch  
Do you wanna get fucked up?  
Do you wanna see me tear da club up?  
Do you wanna get bum rushed?  
By niggas wit triggas that's ready for come-up  
I bet you be wonderin'  
How do a lady be flowin' just like them niggas do  
I be spyin' on your crew  
That's how I know exactly what to do  
Don't be playin' wit me  
It hurts me deeply to see that you decievin' me  
I'll get you, I'll study up on the novel known as misery  
I'm comin' wit shit to \_make 'em say ugh!\_ like that  
master p shit  
I'll be hangin' wit niggas that's \_ready to die\_ like  
notorious big shit  
Don't be fuckin' wit me  
When you see I'm on some other type of mix  
Don't try to be 'bout it in front of your friends  
Put that red dot on your chest  
Them mafia niggas taught me well, nigga can't you tell  
I sport the mean designers bail, nigga doin' swell  
To end this verse off, I be known to have you niggas  
pissed off

But keep on pissin' 'cause I ain't gon' stop until yo' ass  
drop

Repeat 1 (4x)

I be the one you love to hate 'cause I'm so so slick  
You look into my eyes, but never knowin' what I'm gon'  
do next

I'm like outlaws, we warrior thugs  
Showin' 'em our blood  
It don't mean 'cause I'm a lady that I can't have the  
blood  
I keep my mean mug wit me for you hoes & that shit  
I get my smoke on daily, 'cause I got to have it  
To all you lovely ballin' niggas lookin' for a sidekick  
Put yo' money by yo' dick & we can do some business  
I'm not tryin' to be rude  
That's just how it's gon' be  
I'm rollin' wit the prophet posse and we 'bout our  
money  
Many people say I'm crazed  
Damn, is it a lie?  
I guess I'm crazed now-a-days, baby it's do or die  
I'm bein' real, you bein' fake  
Like some counterfeit cheese  
While yo' bitch ass on yo' knees doin' just as I please  
Enquiring minds wanted to know what's gon' be my  
next move  
In monopoly, you's a fool, 'cause this game you gon'  
lose

Repeat 1 (4x)
