this is some shit I know but I know as a mofuckin
woman, gold-digga,

bitch, which eva one you choose, that you wanted to
fuck yo girl man

befo, its natural cause I wanted to do it the only twist to
that is I

don't care if she fuck him, I'm like that I'ma cool
mofucka I invite

errybody into our bedroom. The question is what would
you do?

Chorus

What would you do if you was sleepin wit yo girl man?

What would she say if she found yo numba in his
pants?

What would you do if you thought the same thing about
her and yo man?

Would you call a mofucka out?

What would you do if you was sleepin wit yo girl man?

What would she say if she found yo numba in his
pants?

What would you do if you thought the same thing a
bout her and yo man?

Would you call a mofucka out?

verse 1:

It started one day we double datin and you knowin then
drinkin that day if I remember then it was him
smokin that shit you know tha gangsta got that lighty
light

act like you know if you ain't know (bitch bitch)

Anyways ladies it took a turn when we went to chill

ATL condo where I live still poppin pills

I had on a skirt you know tha lady got tha sex appeal

fat juicy ass that make a nigga wanna ball and squeel

a crazia woman the wild side I will make you cum

I guess he was peepin out how tha diamond looked in

my tounge
I'm tryna be level headed I'm lookin tha otha way
I'm tryna stay down with my nigga so I just looked away
tha look on his face he rollin knowin he took a ex
he lookin he lookin at my home girl like he want some
sex
I'm stepin I'm stepin to her to see if she wit a switch
of fuckin her man to be the bitch amoungst all bitches

Chorus x2

verse 2:
I don't give a fuck
I'll let my homie come and fuck that trick
I don't really care about a nigga I'm a playa bitch
niggas don't mean shit to me talk some get away from
me
you are just a toy to me
fuck you dump you easily
I'm tha type of girl to let a friend take a wiff of mine
fuckin niggas daily man be lady know tha fuckin time
call this mack a freak because I be lettin niggas
circulate
why would i ? hate
weed ain't no ?
so to end the story no I prolly wouldn't fuck yo man
?????
hopin that you undastand
If I got a friend then you had justa brought a friend with
you
my boi wanna fuck you do to let me watch the both of
you
let me watch you too
he bang the pussy got me in a trance
lick it please it damn I can't believe this hoe is fuckin
my man
what would you do if yo man wanted to freak with me?
would you hate the game or accept the whole world
freaks

Chorus
