[Mr. Lil One]

Jack "The Ripper", strippin mothafuckas for their egos  
Peace to all the bald heads, mobbn in their regals  
Need no mothafucka to be tellin me I'm sick!  
I feel it everyday with every fuckin word I say  
I paid my respects to the dead that be cursed  
Oh what you disagree, it's murder in the first  
It's hurts to be livin, though I give it all I got  
Wanna see me shot, but I guess they never thought  
I'ma a genius, we don't get along  
Everytime we bump, when we dumpin on a song  
Feenin for my shit, my wisdom in my word  
Lil's new shit is the bomb, ya heard  
Heard about the heat, I've been bringin to the beat  
I bet that you've been hatin, wishin it never hit the  
street  
Eat a dick, lick nuts, suck balls and take that  
It's wicked ol' Lil, I bet you hate that

[Chorus: Mr. Lil One]

Mothafuckas talk shit and they always wanna creep  
Remember mothafucka you be talkin in your sleep  
It's Mr. Lil One and I brought my homie Young  
Stop, to the death leavin mothafuckas dead  
[2x]

[Youngstah]

Now I'm creepin through a war zone, in every single  
block  
I'm hearin gun shots and it's all a murder plot  
They're tryin to take me for my life, this Sicko can't be  
nothin nice  
I got my finger on the trigger, ain't no time for thinkin  
twice  
Now I'm dumpin out the clip and yo I'm aimin for the  
dome  
And I'm ready to make the cemetery your home  
You can bring who you want, but you're fuckin wit the  
baddest  
It's the Lil and the Youngstah, leave em R.I.P. status  
We be steppin and collectin all them bodies talkin shit

Now it's time to lead aggression with a fuckin Smith  
and Wesson  
When I'm fuckin wit the sickest it's a deadly  
combination  
2 trigger happy gangstas with no clue or hesitation  
I'ma do my evil dirt and I'ma put in on my work  
All the way to the death from the mothafuckin birth  
I'ma snatch your fuckin life and I'ma show you what it's  
worth  
A 6 foot hole in a pile of dirt

[Chorus]
