They're walking by the night  
The moon has frozen blue  
Long black coats a shelter for the rain  
Their load must get through  
Now bats are leaving their trees  
They're joining the call  
Seven satanic hell preachers  
Heading for the hall  
Bringing the blood of a newborn child  
Got to succeed, if not it's Satan's fall

Way out in Egypt in the valley of kings  
Where the mummified pharaohs pretend dead in their sleep  
Don't touch, never ever steal  
Unless you're in for the kill  
Or you've been hit by the curse of the pharaohs  
Yes you've been hit and the curse is on you  
The curse of the pharaohs can be so deadly  
Just destroying your future, making it all shady  
Don't touch, never ever steal  
Unless you're in for the kill  
Or you'll be hit by the curse of the pharaohs  
Yes you'll be hit and the curse is on you

Listen

I'm a corpse, I'm a corpse  
I'm a corpse without soul  
Satan  
He's taken, he's taken  
He's taken his toll  
He took it on me  
I  
I'm trapped, I'm trapped  
I'm trapped in his spell  
Tonight  
I'm going, I'm going  
I'm going to Hell

Inside his spell

Howl like a wolf  
And a witch will open the door  
Follow me and meet our high priestess  
Yeah, come, come into my coven  
Yeah, and become Lucifer's child  
Undress until you're naked  
And put on this white coat  
Take this white cross and go to the center of the ring  
Yeah, come, come into my coven  
Yeah, and become Lucifer's child

I was born on the cemetery  
Under the sign of the moon  
Raised from my grave by the dead  
And I was made a mercenary  
In the legions of hell  
Now I'm king of pain, I'm insane

You know my only pleasure  
Is to hear you cry  
I'd love to hear you cry  
I'd love to see you die  
And I'll be the first  
To watch your funeral  
And I'll be the last  
To leave  
I'd love to hear you cry  
And when you're down  
Beyond the ground  
I'll dig up your body  
Again  
And make love to shame  
Oh lady cry,  
and say goodbye  
Oh lady cry, and say goodbye  
You've gotta say goodbye  
'Cause I will eat your mind
