I wish I had not woke up today  
Everyone mistakes the things you say  
Take the simple truth and  
Twist it all around  
Make it sound important  
Make it seem profound

Dog new tricks  
Nothing you learn will stick  
Dog new tricks  
You make me feel so worthless

Everyone I know has gone away  
Died or left or just forgot to stay  
Sometimes took for granted  
Sometimes turned away  
Sometimes didn't say what  
I meant to say

Dog new tricks  
Nothing you learn will stick  
Dog new tricks  
You make me feel so worthless  
Nothing you learn  
Nothing you learn  
Nothing you learn  
Nothing you learn

I never would have pegged you  
For what you have become  
Everyone lies  
Everyone cheats  
Not like you've done

Dog new tricks  
Nothing you learn will stick  
Dog new tricks  
You make me feel so worthless

Dog new tricks  
Nothing you learn will stick  
Dog new tricks

You make me feel so worthless

Nothing you learn  
Nothing you learn  
Nothing you learn  
Nothing you learn.
