Don't let me down
Don't let me down
Don't let me down
Don't let me down
Nobody ever loved me like she does
O she does, yes she does
And if somebody loved me like she do me
O she do me, o yeah she does
So, don't let me down
Don't let me down
Don't let me down
Don't let me down
I'm in love for the first time
Don't you know it's gonna last
It's a love that lasts forever
It's a love that had no past
So, don't let me down
Don't let me down
Don't let me down
Don't let me down
And from the first time that she really done me
O she done me, she done me good
I guess nobody ever really done me
O she done me, she done me good
Don't let me down
Don't let me down
Don't let me down
Don't let me down
Don't let me down
Don't let me down
So, don't let me down
Don't let me down
