I will die for you (2x)

I've been dying just to feel you by my side; to know that you're mine.

I will cry for you (2x)

I will wash away your pain with all my tears; and drown your fear.

(aaahhhhh 4x)

I will pray for you (2x)

I will sell my soul for something pure and true; for someone like you.

See your face every place that I'm walkin'; hear your voice everytime that I'm talkin'.

You will believe in me. And I will never be ignored.

I will burn for you.

Feel pain for you.

I will twist the knife and bleed my aching heart; and tear it apart.

I will lie for you.

Beg and steal for you.

I will crawl on hands and knees until you see, you're just like me.

Violate all the love that I'm missin'.

Throw away all the pain that I'm livin'.

You will believe in me. And I can never be ignored.

I will die for you.

I will kill for you.

I will steal for you.

I did time for you.

I will await for you.

I'd make room for you.

I'd sail ships for you.

To get close to you.

To be apart of you.

As I believe in you.

I believe in you. I WILL DIE FOR YOU.
