One, two, three, four

You've got my number
You know what I need
And I go crazy
Whenever I bleed

Won't you come over?
I swear I'll be nice
My girlfriend told me that
You've left your wife

I learn to bribe
I learn to say please
Oh, wont you
Lick the pavement for me?

I learn to bribe
I learn to say please
I like you best
When you're on your knees

I know you're lonely
'Cause you're just like me
Why don't you call me?
You know where I'll be

I learn to bribe
I learn to say please
Oh, wont you
Lick the pavement for me?

I learn to bribe
I learn to say please
I like you best
When you're on your knees

Do, do, do, do, do
Do, do, do, do, do, do
Do, do, do, do, do
Do, do, do, do, do, do

I learn to bribe
I learn to say please
Oh, wont you
Lick the pavement for me?

I learn to bribe
I learn to say please
I like you best
When you're on your knees

Do, do, do, do, do, do, do
When you're on your knees
Do, do, do, do
When you're on your knees

Do, do, do, do, do, do, do
When you're on your knees
Do, do, do, do
When you're on your knees

Do, do, do, do, do, do, do
When you're on your knees
Do, do, do, do
Oh, won't you lick the pavement for me?
