I was angry when I met you  
I think I'm angry still  
We can try to talk it over  
If you say, you'll help me out

Don't worry baby  
(Don't worry baby)  
No need to fight  
Don't worry baby  
(Don't worry baby)  
We'll be alright

This is the noise that keeps me awake  
My head explodes and my body aches  
Push it, make the beats go harder  
Pu-pu-push it, make the beats go harder

I'm sorry that I hurt you  
Please don't ask me why  
I want to see you happy  
I want to see you shine

Don't worry baby  
(Don't worry baby)  
Don't be uptight  
Don't worry baby  
(Don't worry baby)  
We'll stay up all night

This is the noise that keeps me awake  
My head explodes and my body aches  
Push it, make the beats go harder  
Pu-pu-push it, make the beats go harder

C'mon push it, you can do it  
C'mon prove it, nothin' to it  
C'mon use it, let's get through it  
C'mon push it, you can do it

Don't worry baby  
(Don't worry baby)  
Don't be uptight

Don't worry baby  
(Don't worry baby)  
We'll stay up all night

This is the noise that keeps me awake  
My head explodes and my body aches  
Push it, make the beats go harder  
Push it, make the beats go harder  
(This is the noise that keeps me awake)

(My head explodes and my body aches)  
Push it, make the beats go harder  
(This is the noise that keeps me awake)  
Push it, make the beats go harder  
(My head explodes and my body aches)

Don't worry baby  
We'll be alright  
Don't worry baby  
We'll be alright

Push it  
Push it  
Push it  
Push it  
Push it
