I'm livin' without you
I know all about you
I have run you down into the ground
Spread disease about you over town
I used to adore you
I couldn't control you
There was nothing that I wouldn't do to keep myself
around and close to you
Do you have an opinion, a mind of your own?
I thought you were special
I thought you should know
But I'm right out of patience
I couldn't care less
I, I, do you have an opinion, a mind of your own
I thought you were special
I thought you should know
I (I used to amuse you)
I (I knew that I'd use you)
Now you're here and beggin' for a chance
And there's no way in hell I'd take you back
Do you have an opinion, a mind of your own?
I thought you were special
I thought you should know
But I'm right out of patience
I've run out of comments
I'm tired of your violence
I couldn't care less
I'm lookin' for me
I'm lookin' for you
I'm lookin' for me
I'm lookin' for you
We're tumblin' down, we're tumblin' down
You know we're tumblin' down, we're tumblin' down
I thought you were special
I thought you were special
I thought you were special
I thought you were special
I thought you were special
