I'll tell you somethin', I am a wolf
But I like to wear sheep's clothin'
I am a bonfire, I am a vampire
I'm waitin' for my moment

You come on like a drug, I just can't get enough
I'm like an addict comin' at you for a little more
And there's so much at stake, I can't afford to waste
I never needed anybody like this before

I'll tell you somethin', I am a demon
Some say my biggest weakness
I have my reasons, call it my defense
Be careful what you're wishin'

You come on like a drug, I just can't get enough
I'm like an addict comin' at you for a little more
And there's so much at stake, I can't afford to waste
I never needed anybody like this before

You are a secret, I need possession
I like to keep you guessin'

You come on like a drug, I just can't get enough
I'm like an addict comin' at you for a little more
And there's so much at stake, I can't afford to waste
I never needed anybody like this before

When I'm not sure what I'm livin' for
(When I'm not sure who I am)
When I'm not sure what I'm lookin' for
(When I'm not sure who I am)

When I'm not sure what I'm livin' for
(When I'm not sure who I am)
When I'm not sure what I'm lookin' for
(When I'm not sure who I am)

When I'm not sure what I'm livin' for
When I'm not sure what I'm lookin' for
When I'm not sure
